All Electronic Models [DGF/EP02 & DGF/EM01] require 2nd Tier Australian Gas Association testing and approval by AGA local representative in your area. Testing and approval can be completed when appliance installation is complete.

This will incur an added cost to the product for Queensland only of [\$180.00 per electronic unit + GST]

Other States will require 2nd Tier Testing or Type B and each State is a different cost

Any suggested ideas from Web Site will be P.O.A

THE ABOVE PRICES are AUD and DO NOT INCLUDE FREIGHT

If you have any further queries on the above, please contact Lynnell Williams or David McIlvenie
